INDEPENDENT AUDITOR'S REPORT

To,
The Board of
Haique Stones Inc.

Report on the Audit of Financial Statements

Opinion

We have been appointed to audit the special purpose financial statement of the Haique Stones Inc. (The Company") being subsidiary of the parent as per the Indian GAAP. We have audited the special purpose financial statements of the Company, which comprise the Balance Sheet as at 31st March 2026, and Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").
In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31st March 2026, and of its financial performance for the year ended on 31st March 2026 in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI)

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and far view of the state of affairs, results of operations and cash flow of the Company in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from maternal misstatement, whether due to fraud or error.
In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management ether intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statement

Restriction on Use and Distribution

The financial statements dealt by this report have been prepared for the use in connection with the preparation of the consolidated financial statement of the parent and for no other purpose. These financial statements have been prepared to comply with the requirements of Indian GAAP only. We are not responsible for non-compliance of any local laws of the country in which the Company is incorporated.

The financial statements are not the statutory financial statements of the Company and are prepared for the purposes of including these financial statements in the consolidated financial statements of the parent and accordingly the presentation and disclosures to the extent applicable for that purpose have been included in these financial statements by the management and intended users of the financial statements for the purpose for which those have been prepared.

We have no obligation, responsibility, liability in respect of this report as Statutory Auditors of the Company and nothing in this report, nor anything said or done in course of or in connection with the services that are subject to this report, will extend any duty or care since we are not the statutory auditors of the Company.

As a result, these Accounts are not a complete set of financial statements in accordance with the accounting principles generally accepted in India. Our report is intended solely for the parent, for the purpose of consolidation and should not be distributed to any other party other than the parent.

2 Significant accounting policies

2.1 Preparation of Financial Statements

I) Basis of Preparation of Financial Statements

These financial statements are prepared under the historical cost convention on accrual basis to comply in all material aspects and in accordance with Indian Generally Accepted Accounting Principles (GAAP), which comprises of mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The accounting policies have been consistently applied by the Company unless otherwise stated. These financial statements are prepared in functional currency of the Company i.e. USD.

II) Purpose of Preparation of Financial Statements

These financial statements of foreign entity are prepared for the purpose limited purpose for preparation of Consolidated Financial Statements of its Holding Company Esprit Stones Limited.

2.2 Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. The examples of such estimates include, the useful life of tangible and intangible fixed assets, allowances for doubtful debts / advances, future obligations in respect of retirement benefit plans etc. Actual results may differ from the estimates and assumptions and in such case, the difference is recognised in the period in which the results are known.

2.3 Revenue Recognition

(a) The company recognises revenues on the sale of products, net of discounts, when the products are dispatched / delivered to the customer/ dealer or when delivered to the carrier for export sales, which is when risks and rewards of ownership pass to the customer/ dealer.

(b) Revenue is recognized when it is earned and no significant uncertainty exists as to its realization or collection.

(c) Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(d) Dividend income is recognized when the company's right to receive dividend is established.

(e) Export entitlements under the duty remission scheme are recognized as income when the credit as per the terms of the scheme is received in respect of the exports made.

2.4 Recognition of Expenditure

Expenses are accounted for on an accrual basis and provision is made for all known losses and liabilities.

2.5 Tangible fixed assets

(a) Tangible fixed assets are stated at cost less accumulated depreciation and impairment loss, if any.

(b) The cost of Fixed Asset comprises its purchase price including non-refundable taxes & duties and directly attributable cost of bringing the asset (including leasehold improvements) to its working condition for its intended use. Subsequent upgradation / enhancements which results in an increase in the future benefits from such assets, beyond the previously assessed standard of performance, are also capitalised. Machinery spares which can be used only in connection with an item of tangible assets and whose use is not regular nature are written off over the estimated useful life of relevant assets.

(c) All costs, including borrowing costs till commencement of commercial production, attributable to fixed assets are capitalized.

A. BAFNA & CO. Chartered Accountants FRN 003650C

Haique Stones Inc Authorised Signatory USA

2.6 Intangible Assets and amortization

Intangible assets are stated at cost less accumulated amortization. Intangible assets are amortized on a straight line basis over their estimated useful life of 5 years

2.7 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

2.8 Capital Work-in-Progress

Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the balance sheet date.

2.9 Depreciation and amortization

(a) Owned assets

(i) Depreciation on fixed assets is provided on straight line method, at the rates and in the manner prescribed in Schedule II to the Companies Act,. 2013. In case of plant and machinery used for double or triple shift, depreciation is increased to 150% and 200% of normal depreciation respectively.

(ii) Significant components of assets having a life shorter than the main asset, if any is depreciated over the shorter life.

(b) Leased assets:

(i). Leasehold lands are amortised over the period of lease.

(ii). Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period is beyond the life of the building.

(iii). In other cases, buildings constructed on leasehold lands are amortized over the primary lease period of the lands.

2.10 Investments

Current investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are carried at lower of cost and quoted / fair value, computed category wise. Long Term Investments are stated at cost. However, provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

2.11 Inventories

Inventories are valued at the lower of cost and net realizable value. Obsolete, slow moving and defective inventories are identified at the time of physical verification and necessary provision is made for such inventories. The cost is determined using the weighted average cost method for all categories of inventories. Cost includes in case of Raw materials, Stores & spares, Packing material and consumables the purchase price and attributable direct cost less discounts. In case of Work-in-Progress and finished goods cost includes direct labour, material costs and production overheads

2.12 Foreign Currency Transactions

(a) Transactions denominated in foreign currencies are normally recorded on the initial recognition in the reported currency using the exchange rates prevailing on the date of transaction.

(b) Monetary assets & liabilities denominated in foreign currencies are restated at the appropriate rates of exchange prevailing on the date of Balance Sheet. Resultant gain or loss is accounted in the period in which they arise

(c) Any income or expense on account of exchange difference either on settlement or on translation of monetary items are recognized in the Statement of Profit and Loss for the period in which they arise.

(d) In respect of Forward Exchange contracts entered into to hedge foreign currency risks, the difference between the forward rate and exchange rate at the inception of the contract is recognized as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognized as income or expense along with the exchange differences on the underlying assets / liabilities. Further, in case of other contracts with committed exchange rates, the underlying is accounted at the rate so committed. Profit or loss on cancellations / renewals of forward contracts is recognized during the year. In case of option contracts, the losses are accounted on mark to market basis.

2.13 Earning Per Share

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares

2.14 Borrowing Cost

Interest and other borrowing costs attributable to qualifying assets are capitalized. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over 12 months) to get ready for its intended use or sale. Other interest and borrowing costs are charged to statement of Profit & Loss.

2.15 Employee Benefits

(a) Short Term Employee Benefits:

All employee benefits payable wholly within 12 months of rendering service are classified as short term employee benefit. Benefits such as Salaries, Wages, performance incentives, expected cost of bonus, exgratia are recognised during the period in which employee renders related service.

(b) Post-employment Benefits:

Defined contribution plans: Company's contribution paid / payable during the year to employees state insurance scheme, Provident Fund and Labour welfare fund are recognised during the period.

Defined benefit plans: For defined benefit schemes in the form of gratuity fund, provident fund and post retirement medical benefits, the cost of providing benefits is determined using the Project Unit Credit Method, with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discounting rate used for determining the present value of the obligation under defined benefit plans, is based on the market yields on government securities as at the balance sheet date, having maturity periods approximately to the terms of related obligations.

Actuarial gains/losses are recognised in full in the statement of profit and loss, for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligations recognised in the balance sheet represents that present value of the defined benefit obligation as adjusted for unrecognised past service cost and as reduced by the fair value of the scheme of assets.

(c) Long-term employee benefits:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date.

(d) Termination benefits

Termination benefits are recognised as an expense in the period in which they are incurred.

A. BAFNA & CO. Chartered Accountants FRN 003760C

Haique Stones Inc Authorised Signatory USA

2.16 Leases

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. The Company as a lessee:

(i) **Operating lease**: Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease.

(ii) **Finance leases:** Finance leases are capitalised at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income over the period of the lease.

2.17 Provisions, Contingent Liabilities, Contingent Assets and commitments

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

(b) Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(c) Contingent Assets:

Contingent Assets are neither recognised nor disclosed in the financial statements

(d) Commitments:

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets

2.18 Accounting for Taxes on Income

Current tax

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions the applicable US Tax Laws

2.19 Government Grants

The Company has received government grants related to revenue expenses, which are deducted from related revenue expenses for the year.

2.20 Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks

Cash equivalents are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value
